**2020 European Rhythmic Gymnastics Championships in Kiev
Changed competition programme for the Senior individual gymnasts**

Dear President,

As the 2020 European Rhythmic Gymnastics Championships are a qualifying event for the Olympic Games (1 OG place for individual gymnasts and 1 OG place for groups to be decided), the UEG Executive Committee has decided at its last meeting on June 29th and 30th, 2019 in Minsk to adapt the competition programme for these Championships. According to IOC and FIG regulations, the participation in the Olympic qualifying event must be open to all UEG Member Federations.

In addition to the 24 best individual gymnasts qualified at this year's European Championship for the 2020 Event, each UEG Member Federation not yet qualified can therefore also send
