

Dear Sir / Madam,

We will be organizing an International Women's Artistic Gymnastics Tournament from **2 to 4 May 2025**. The tournament will be held in **Leek**, nearby the city of Groningen, the Netherlands.

An adjusted Code of Points will be used for the tournament and there will be different levels and age groups in which participants can register (**from 2016 and older**). A participating club is expected to deliver at least 1 qualified judge.

We will provide accommodations to stay, meals, etc. for which some costs will be charged. The trip there and back must be arranged by the participating club itself. For participants there will be a contribution of **€25,00**, spectators will pay around **€5,00** per day.

In January 2025 we will be sending the definitive invitations with further information about the tournament.

To make an inventory of how many spots we need to reserve for participants from countries other than the Netherlands, we would like to ask you if the attached letter can be forwarded to the clubs within your federation. We would like to hear from these clubs if they would like to participate in the tournament.

Thank you in advance.

Kind regards,

Turnstad Groningen
